

1. Base color will be golden
2. Single product view is missing
3. Show 5 products in a row in desktop
4. Show 2 products in a row in mobile
5. In “Featured Product” section keep 1 row instead of 3 rows. And make the row carousel.
6. Skip the weight in product basic view. Add another price beside current price which is discounted price.
7. Remove “Compare” and add “Sign up” in the top menu
8. Change the color to white (see image below)
9. Write “Menu” instead of “Category”
10. Remove social Media icons from footer
